

IT Network Administrator

West Ryde location

Full-time

- ♦ *Friendly team environment*
- ♦ *Join the leading Christian retailer*
- ♦ *Work with a purpose*

A fantastic opportunity exists for a Network Administrator in Koorong's IT Department at West Ryde.

This role will involve the support and management of Koorong's Microsoft and Linux servers, as well as some helpdesk support.

Applicants will need to have suitable tertiary qualifications and/or certifications. In addition, you will exhibit strong attention to detail, be task focussed, have good organisational skills and the ability to work under pressure. Excellent written and verbal communication skills are required, and you must be comfortable dealing with staff at all levels of the organisation.

Proficiency with VMware is essential. Experience with Microsoft Exchange will be highly regarded.

This is an ideal opportunity for a motivated IT graduate.

Koorong is Australia's leading Christian resource centre. With 15 stores Australia-wide and a thriving web store, we provide the largest range at the best prices. Koorong's IT Department provides both front-line and back-up support to assist Koorong in the areas of sales and distribution. Join us in the exciting privilege of providing Christian resources to your local community and beyond, with life changing possibilities!
