Web Developer

Full Time | West Ryde, NSW

Koorong is a forward thinking Christian retailer utilising an omnichannel approach to sell bibles, books, CDs, DVDs and gift items to enrich the lives of our customers. We have a fantastic career opportunity available for a web developer to join our IT team. Based at West Ryde, this position will involve the development and support of the Koorong web site, as well as other varied and challenging internal applications. As part of a small team, you will have the opportunity to experience a wide exposure to various technologies within this role.

The suitable applicant will have University qualifications in Computer Science or similar, a strong passion for web development and an understanding of Koorong's web presence.

Key Criteria:

Exposure to the following technologies is highly desirable:
- JavaScript including ES6
- Strong HTML/JSX,
- CSS including Bootstrap
- Knowledge of web security principles (OWASP)
- Java

Also highly advantageous is previous experience with:
- ReactJS and Redux
- NodeJS
- MongoDB
- Amazon Web Services

Applicants will need to be eager to learn and adapt to emerging technologies. You will also be required to have a strong understanding of UI, cross-browser compatibility. You will be task focused, demonstrate good organisational skills, prepared to work under pressure and have the ability to become rapidly familiar with a large codebase.

Koorong offers:
- Fabulous career potential
- Friendly team environment

Koorong is Australia's leading Christian resource centre. With 15 stores Australia-wide and a thriving website, we provide the largest range at the best prices. We strive for excellence in customer service with a servant heart. Join us in the exciting privilege of providing Christian resources to your local community and beyond, with life changing possibilities! Koorong is part of Bible Society Australia group.
