

# Web Front-End Developer

West Ryde, NSW

Koorong has a fantastic career opportunity available within our IT team. Based at West Ryde, this position will involve the front-end development and support of the Koorong web site, as well as other varied and challenging internal web applications.

The suitable applicant will have University qualifications in Computer Science or similar and a passion for the internet and web development. 2-3 years Industry experience preferred.

## Key Criteria:

Exposure to the following technologies is highly desirable:

- Strong HTML5, CSS including Foundation, Bootstrap or other CSS Framework
- Core Javascript, jQuery, AngularJS Frameworks
- Web Standards/Responsive Design/Cross Browser Testing, Selenium, UI/UX testing
- Adobe CS Suite

Also highly advantageous is previous experience with:

- JSP/Java, MVC frameworks
- Designing mobile web and native apps (iOS and/or Android)
- Web servers – Nginx/ Apache/Tomcat

Applicants will need good graphic design abilities and a great eye for detail. You will also be able to utilise your excellent communication and interpersonal skills, being the pivotal role between graphic designers and the development team. You will be task focused, demonstrate good organisational skills, and have the ability to work under pressure.

## Koorong offers:

- Fabulous career potential
- Friendly team environment
