

WHAT IS THE KOORONG AT SCHOOL BOOKSTALL PROGRAM?

Koorong's Bookstall program allows you to sell a selection of products at school events such as Book Week/Literacy Week, Grandparents' Day, School Fetes, or any other significant date in your school's calendar. Choose from our range of children's fiction and non-fiction books, Bibles, music, DVDs, and more, to build your school's ideal bookstall.

WHY JOIN?

Koorong Bookstalls are an easy way to provide great Christian resources to your community, while also raising funds for your school's initiatives. Schools only pay Koorong for the products they sell. And with a 20% discount that means more profits for your school!

HOW DO I GET STARTED?

- 1** Contact your nearest Koorong store 6 weeks prior to your school's event to discuss your bookstall requirements and book an appointment to choose your products. Go to www.koorong.com/info/store for store details and locations.
- 2** Sell the products at your school's event. Your school will receive a 20% discount on all products sold.
- 3** Return any unsold books to Koorong within 30 days at no cost. We do not accept returns via post.
