

WHAT IS THE KOORONG AT SCHOOL ONLINE PROGRAM?

The Koorong at School Online program allows you, on behalf of your school, to create a customised store on the Koorong website. This provides an easy way for your students and their parents to purchase the resources they need with convenient home delivery.

WHY JOIN?

For each purchase made through your Koorong at School Online store your school will earn a commission* in the form of Koorong vouchers.

Koorong provides a preset display of 20 quality children's products updated each school term.

Koorong at School Online also allows you to showcase a specific group of products to your community, perfect for a school recommendation list or a themed range for various events in the school calendar.

Your web store can be tailored to represent your school by including your own logo and colours; you can also choose what products are shown.

HOW DO I GET STARTED?

- 1** Email schools@koorong.com.au to join the Koorong at School Online program. We will email you a simple form to fill in and sign.
- 2** Once you've signed up we will provide you with login details to access your Koorong at School Online store and add your products.
- 3** Koorong's 20 recommended products will automatically appear. You can customise your store, add and remove products as desired.

Use your unique URL to promote your web store to your school community and share it online (through your website, blog, email, or via social media). You can also feature products on your own school website using the sharing widget.

Your community will then be able to view and purchase products through your Koorong at School Online store. Orders will be delivered directly to students' homes.

* Commission Detail

- 15% commission earned for standard sales.
- 7.5% earned when the customer receives a discount on their purchase.
- No commission earned for sales with a customer discount above 25%, for NETT priced items, or for eBooks / eAudio (downloadable audio), tickets, or gift cards.
- All commission will be given in the form of Koorong vouchers.

Email schools@koorong.com.au to join or for more information.
