

Dear Koorong Kids Coordinator,

**Welcome to Koorong Kids Issue 4, 2015!**

Enclosed are the latest Koorong Kids Catalogues. We are very grateful for your help partnering with us to give school children easy access to Christian books. It's hard to believe this is our last catalogue for 2015.

Christmas is just around the corner. It's a time to remember the birth of our Saviour and to celebrate His birth. Let's teach children about the true Christmas message. Ensure gifts for kids are meaningful this Christmas season with our wide range of gift ideas.

This term's catalogue is jam packed with great Christmas gift ideas. We have lots of new Christmas story books and music products. Colin Buchanan has a new Christmas Cd that kids are going to love. We are excited to be featuring Wise Guys this term: a book for boys written by best-selling Australian author of the Girl-Wise series, Sharon Witt. This term you will notice our new range of devotionals. Daily devotionals can be a great help to encourage kids with regular bible reading.

Books & resources in our catalogues are carefully chosen. Our goal is to help children understand and relate to a God who loves them. If you have any suggestions or recommendations on books we should feature, we would love to hear from you.

Koorong requests your schools orders to be in by 20<sup>th</sup> November. This date is just a guide and we will honour orders placed after this. We have many schools participating in our program we understand some finish their school term on different dates. So as a general guide placing your order at least three weeks before the end of your school term ensures that your order is filled and returned to you with time for distribution.

In this package you will find Koorong Kids catalogues and your order form. If you are missing either of these components, please contact our Koorong Kids Customer Service Team. We hope you enjoy this issue of Koorong Kids and we pray the books promote growth in many young lives as they discover more about Gods word.
