Introduction

Did you know that God's Word is woven into your very own amazing story? . . . The story of YOU!

Think about it. . .

God created you.

He has specific plans for you.

He gifted you with talents to use for His kingdom.

He sent His One and only Son to die for you.

And, at this very moment, He is preparing a home in heaven for you.

This devotional thought journal features prompts related to specific scripture selections that will help you begin to write out your very own story and see how the Word of God speaks truth and love into your life today (and, in fact, from the very moment God first thought of you!).

While each of the journal sections may not apply to your life *right now*, they certainly may play a part in your future—because God is still busy writing your life adventure. So flip to the sections that interest you the most and begin to record your story—with your hand in God's, He'll be beside you each step of your journey.

Be blessed!

as I was woven together in the dark of the womb.*

*You saw me before I was born.
Every day of my life was recorded in your book.
Every moment was laid out
before a single day had passed.*
